About this Certificate

As from 1st January 1997 Third Party Liability Insurance became compulsory on most of the British Inland Waterway System.

The British Marine Federation and the Canal & River Trust have agreed a format for the renewal of your licence.

This Certificate, therefore, should accompany your Licence Application.

As Canal & River Trust may wish to retain the Certificate, further copies can be supplied on request.

The Certificate merely provides proof of Third Party Liability Insurance and does not form part of your Policy or your Contract with Insurers.
